

# Eight Planets

"We go up to the sky!  
Let's see our Solar System!"

Mercury

Venus

Earth and Mars

Jupiter

Saturn

"Wow, they're big!"

Uranus

Neptune

Round and round.

Go, go, go, go!

Eight planets!

Small, small,

so small, **Mercury**.

So small!

Brightest of all **Venus**.

Shiny!

I'm your planet.  
Blue, green **Earth**.  
I love you!

Red and dry, marvelous **Mars**.  
Marvelous!

Mercury  
Venus  
Earth and Mars  
Jupiter  
Saturn  
"Wow, they're big!"  
Uranus  
Neptune  
Round and round.  
Go, go, go, go!  
Eight planets!

Super super duper, **Jupiter**.  
I'm big!

Hula-hula pretty **Saturn**.  
Hula-hula!  
Full, full, full of gas, **Uranus**.  
Far from the Sun, **Neptune**.  
So far!

Mercury  
Venus  
Earth and Mars  
Jupiter  
Saturn  
"Wow, they're big!"  
Uranus  
Neptune

Round and round.  
One, Two, Three, Four, Five, Six, Seven, Eight planets!
