

Five Oceans Song

About 70% of the surface of the earth
Is ocean water

And it's divided up in five parts, from biggest to smallest:
Pacific, Atlantic, Indian, Southern, Arctic
Pacific, Atlantic, Indian, Southern, Arctic

I'm the **Pacific**, to be specific:
I'm a third or the earth's surface, where my turf is
And my Mariana Trench is the very very deepest in the sea

I'm the **Atlantic**, named after the *Greek* god, Atlas
With the Bermuda Triangle and the Gulf Stream in me.

I'm the **Indian** Ocean, I'm the warmest around

And I'm the **Southern Ocean**, where Antarctica is found

And I'm the **Arctic**, the smallest and the shallowest
But that's fine, you see
I've got more ice than you've ever seen
Even polar bears walk on me

We're the:

Pacific, Atlantic, Indian, Southern, Arctic

Pacific, Atlantic, Indian, Southern, Arctic

One more time:

Pacific, Atlantic, Indian, Southern, Arctic

Pacific, Atlantic, Indian, Southern, Arctic
