

# The Solar System Song

I am the **Sun**. I'm a burning ball of fire. I'm very big indeed. Life on earth depends on me. I am the Sun.

I am **Mercury**. I'm the closest planet to the Sun. I'm a ball of iron -- I have no moons. I am Mercury.

I am **Venus**. I'm the same size as the Earth but I spin the other way and much more slowly. I have no water -- I am Venus.

I am the **Earth**. The place where we all live. There is land and lots of sea so I look blue. I have a moon. I am the Earth.

I am **Mars**. I'm a rocky, red planet. My mountains are the highest in our solar system. I have 2 moons. I am Mars.

I am **Jupiter**. I'm a gas giant. I'm the biggest and I spin the fastest. I have the biggest moon. I am Jupiter.

I am **Saturn**. I'm a gas giant. My rings are made of ice. Titan is my biggest moon. I am Saturn.

I am **Uranus**. I'm an icy gas giant. I'm the coldest planet in our solar system. And I have rings made of dust. I am Uranus.

I am **Neptune**. I'm an icy gas giant. I'm the farthest planet from the sun. I have many storms. I am Neptune.

We are The Solar System.
